

Protection from Every Angle

Dotworkz BR-CNR1 Corner Mount has been engineered with both functionality and aesthetics in mind. Combined with the modern form of the D-Series housings, the BR-CNR1 Corner Mount's 90° mounting system gives an elegant yet secure look to any deployment site.

This specially designed bracket allows deployments to have the most effective and unimpeded views for the multiple viewing angles of high-quality PTZ (Point/Tilt/Zoom) cameras, giving quality and protection from every angle.

innovative

BR-CNR1: Dotworkz Corner Mount

Description:

Dotworkz BR-CNR1 Corner Mount is designed to be mounted on any exterior 90° wall, and gives an effective vantage-point for PTZ (Point/Tilt/Zoom) cameras. Compatible with the Dotworkz D-Series enclosures, the BR-CNR1 Corner Mount allows a single camera to have wide, unimpeded view of a deployment's perimeter. The Dotworkz BR-CNR1 corner mount is engineered from epoxy coated aluminum, and durably constructed to resist wind and vibrations.
